**Student Principal For A Day**

Year 12 Kanahooka High School Indigenous student Morgan Kill, was a fitting student ambassador as the Student Principal for a Day (SP4D). SP4D is a national initiative of the Principals Australia Institute. On Wednesday 4 June, Morgan joined primary and secondary students across Australia getting the chance to:

- step into the shoes of ‘Principal’ for a day
- take part in a number of leadership opportunities
- contribute to a national online student conversation

Morgan had the chance to participate in a tour of classrooms and facilities at Kanahooka High School and offer her suggestions on improvements that could be made. She inspected the new hospitality facilities and was interviewed for WIN TV News.

Morgan said that she enjoyed the opportunity to be involved in a practical and exciting leadership development initiative and for the chance to see first hand the important role that Principals play.

After School Fitness Program
The ASFP is a new school-based initiative to educate students about fitness and improve their health and wellbeing. Students have the opportunity to participate in strength training, boxing and X-fit.

The ASFP will commence twice a week during Term 2 starting from 13 May. Senior students will train on Tuesdays and junior students on Wednesdays. Each session will run for 1 hour starting at 2:45pm and finishing at 3:45pm.

So if you are interested in strength and fitness training and wish to improve your overall health, get involved in the ASFP! But hurry...only twenty students can participate in each group.

Modified Education Program News
MEP has teamed up with the Heart Foundation to educate students on healthy eating and cooking skills.

This 4 week program is proving to be a great success with a variety of dishes being cooked from around the world including lamb koftas, kangaroo fillets and Asian stir fry.

This week rounds off the final lesson with Amy Wilson from the Heart Foundation and we can’t thank her enough for her efforts. The students involved have greatly benefited from her skills and knowledge.

Students including our very own Joshua Elm may be on a future season of Master Chef with his signature fried rice dish.

If you have a spare hospitality uniform that you would like to donate to the MEP Unit it would be very much appreciated. Please drop it off at the front office.

After School Tutorial Centre
Kanahooka High School library hosts an After School Tutorial Centre every Tuesday and Wednesday afternoon, from 2:30-3:30pm. This hour provides students with help in homework and assessment tasks. Each afternoon we average 40 wonderful students who are working for an extra hour outside of school time. The centre is staffed by a variety of teachers from Maths, Science, English, HSIE, TAS and PDHPE. Students also benefit from afternoon tea; a huge thanks needs to go to the KHS P&C which has provided us with funds to purchase juice and biscuits for students. Also a huge thanks needs to go to St Vincent de Paul, who donate food items when they can, to supplement the afternoon tea for students. This wonderful initiative wouldn’t run if not for the goodwill of staff, and the help from P&C and St Vincent de Paul. THANK YOU!

Cancer Council Biggest Morning Tea

On Tuesday 27 May the Kanahooka High School Administrative Staff and Learning Support Officers organised and supplied the school staff with a wonderful array of goodies for morning tea. This was a very successful event, which raised $261. It was a great opportunity for all the staff to get together, have a chat, enjoy some delectable delights and raise some money for a very worthwhile cause. Thank you to all those people who supplied the morning tea and to those who supported this cause.

**National Collection of Data on School Students with Disability**

Our school is participating in the collection of nationally consistent data on school students with disability.

We will be collecting information already available in the school about the support that is being provided to students with disability.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

If you do not want your child to be counted in the data collection you must complete a form which can be collected from Kanahooka High School’s front office. It must be returned to the school before 28 June 2014. A decision to exclude your child will not affect the support they currently receive.

Further information about the data collection can be collected from the front office or found at:
