Parent Student Teacher
Community Partnerships in Education

Dear Parents/Carers and Students,

Communication between home and school is very important in enabling us to meet the needs of all students to the best of our ability. Getting to know parents/carers is an important step towards building relationships and fostering communication between school and home. To this end we are hosting a Meet the Teachers Barbecue.

Meet the Teachers Barbecue
Tuesday 23 February
Quadrangle Area
4:30pm – 6:00pm

During the afternoon you will have the opportunity to meet your child’s teachers and discuss any aspects of your child’s learning or specific needs you would like teachers to know about.

You will also have the chance to meet members of our P&C and discuss opportunities that are available for you to join the P&C or ways in which you can support the school.

We strongly recommend you attend this event in order to assist your child to continue with a successful high school education.

Yours faithfully
